

BACK TO SCHOOL TIPS

PARENTS

1. Re-establish Bedtimes

Kids need time to adjust from summer sleep schedules.

Aim for 8–10 hours of sleep depending on age.

2. Meal Prep Ahead of Time

Plan healthy breakfasts and pack lunches the night before.

Include balanced snacks to avoid energy crashes.

3. Stay Connected

Know the teacher's name, email, and classroom policies.

Attend back-to-school nights and check school portals regularly.

STUDENTS

1. Prep Your Backpack Now

Make sure it's stocked with notebooks, pens, chargers, and other essentials—don't wait until the night before.

2. Reset Your Sleep Schedule

Start going to bed and waking up earlier at least a week before school starts to avoid first-week fatigue.

3. Set a Goal for the Year

Whether it's better grades, joining a club, or staying organized—having a goal gives you purpose and focus.

Eric Tomlinson

Eric was referred to us by our relocation company. From our very first phone call, I knew he was the realtor for us. His professionalism is top notch, his expertise is of the highest quality, and his personality is everything great! He takes care of his clients as if they are his own family... I truly appreciated this! I have and will continue to refer my family and friends to him. Great job Eric and Team... what a pleasure it was to work alongside you in the sale of our home!
