

Hot Chocolate Cookies

There's nothing like coming home and wrapping your hands around a cup of hot chocolate.

These cookies are packed with that creamy, hot chocolate flavor, and when baked, the mini-marshmallows will be soft, sticky, and totally perfect. Be sure to get a full-fat hot chocolate mix, and freezing your marshmallows before use will keep them from melting while baking.

"We have purchased two homes with Serina and she has always been responsive and professional. She strives to understand what we are looking for and custom tailors the home search to meet our unique criteria. Her strongest attribute is her ability to expediently move on home offers and ensure all parties are working together to close escrow on time. I would recommend Serina to anyone searching for a home in the SW Riverside area."
